

Farm\$en\$e

Farm Management Tools for Financial Success

*Do you struggle to understand
your farm's finances? Are you
uncertain about where your farm
business is headed?*

Farm \$en\$e is a four session workshop that teaches farmers how to understand and create 3 financial statements for their farm: the cash flow statement, the balance sheet, and the income statement. Understanding the use of these statements will strengthen the farm business and improve relationships both internally and externally.
